Dear Colleague,

The AlHaMBRA Project Coordination Team is organising the Final Conference.

The AlHaMBRA Project will invite and cover travel and accommodation costs for a limited number of representatives nominated by Member States - from 33 European countries to attend and participate in this final contract disclosure event.

Built on alcohol policy topics, the themes aim to support European Member States in knowledge gathering, sharing best practice and capacity building for evidence-based alcohol policy and harm-reduction across multiple sectors.

The two-days event will take place on the 21-22 of November 2022 in Lisbon, Portugal, as side event of the Lisbon Addictions Conference 2022.

Places at the event are limited. Registrations will open on 2nd September, on <https://www.lisbonaddictions.eu/lisbon-addictions-2022/side-events>.
