

European
Commission

The **European Commission**, in cooperation with the **European Health and Digital Executive Agency (HaDEA)**, is launching the **EU FAB call for tenders**, in order to ensure that sufficient and agile manufacturing capacities for different vaccine types can be activated quickly in case of a public health emergency.

A dedicated **info session** on EU FAB will take place on **17 May 2022**, from **10:00 to 11:00 CEST**.

The info session will take place on Webex. To attend the session, interested participants are kindly asked to register using the following link: <https://europa.eu/!4Tgq6m>

The number of participants is limited to 1000 and maximum two representatives from the same organisation will be allowed to participate. Please kindly use your professional email address to register to the event.
