

European Health and Digital Executive Agency

We cannot wait for the end of the pandemic to repair and prepare for the future. We will build the foundations of a stronger European Health Union in which 27 countries work together to detect, prepare and respond collectively.

Ursula von der Leyen
President of the
European Commission

World Health Summit
25 October 2020

HaDEA

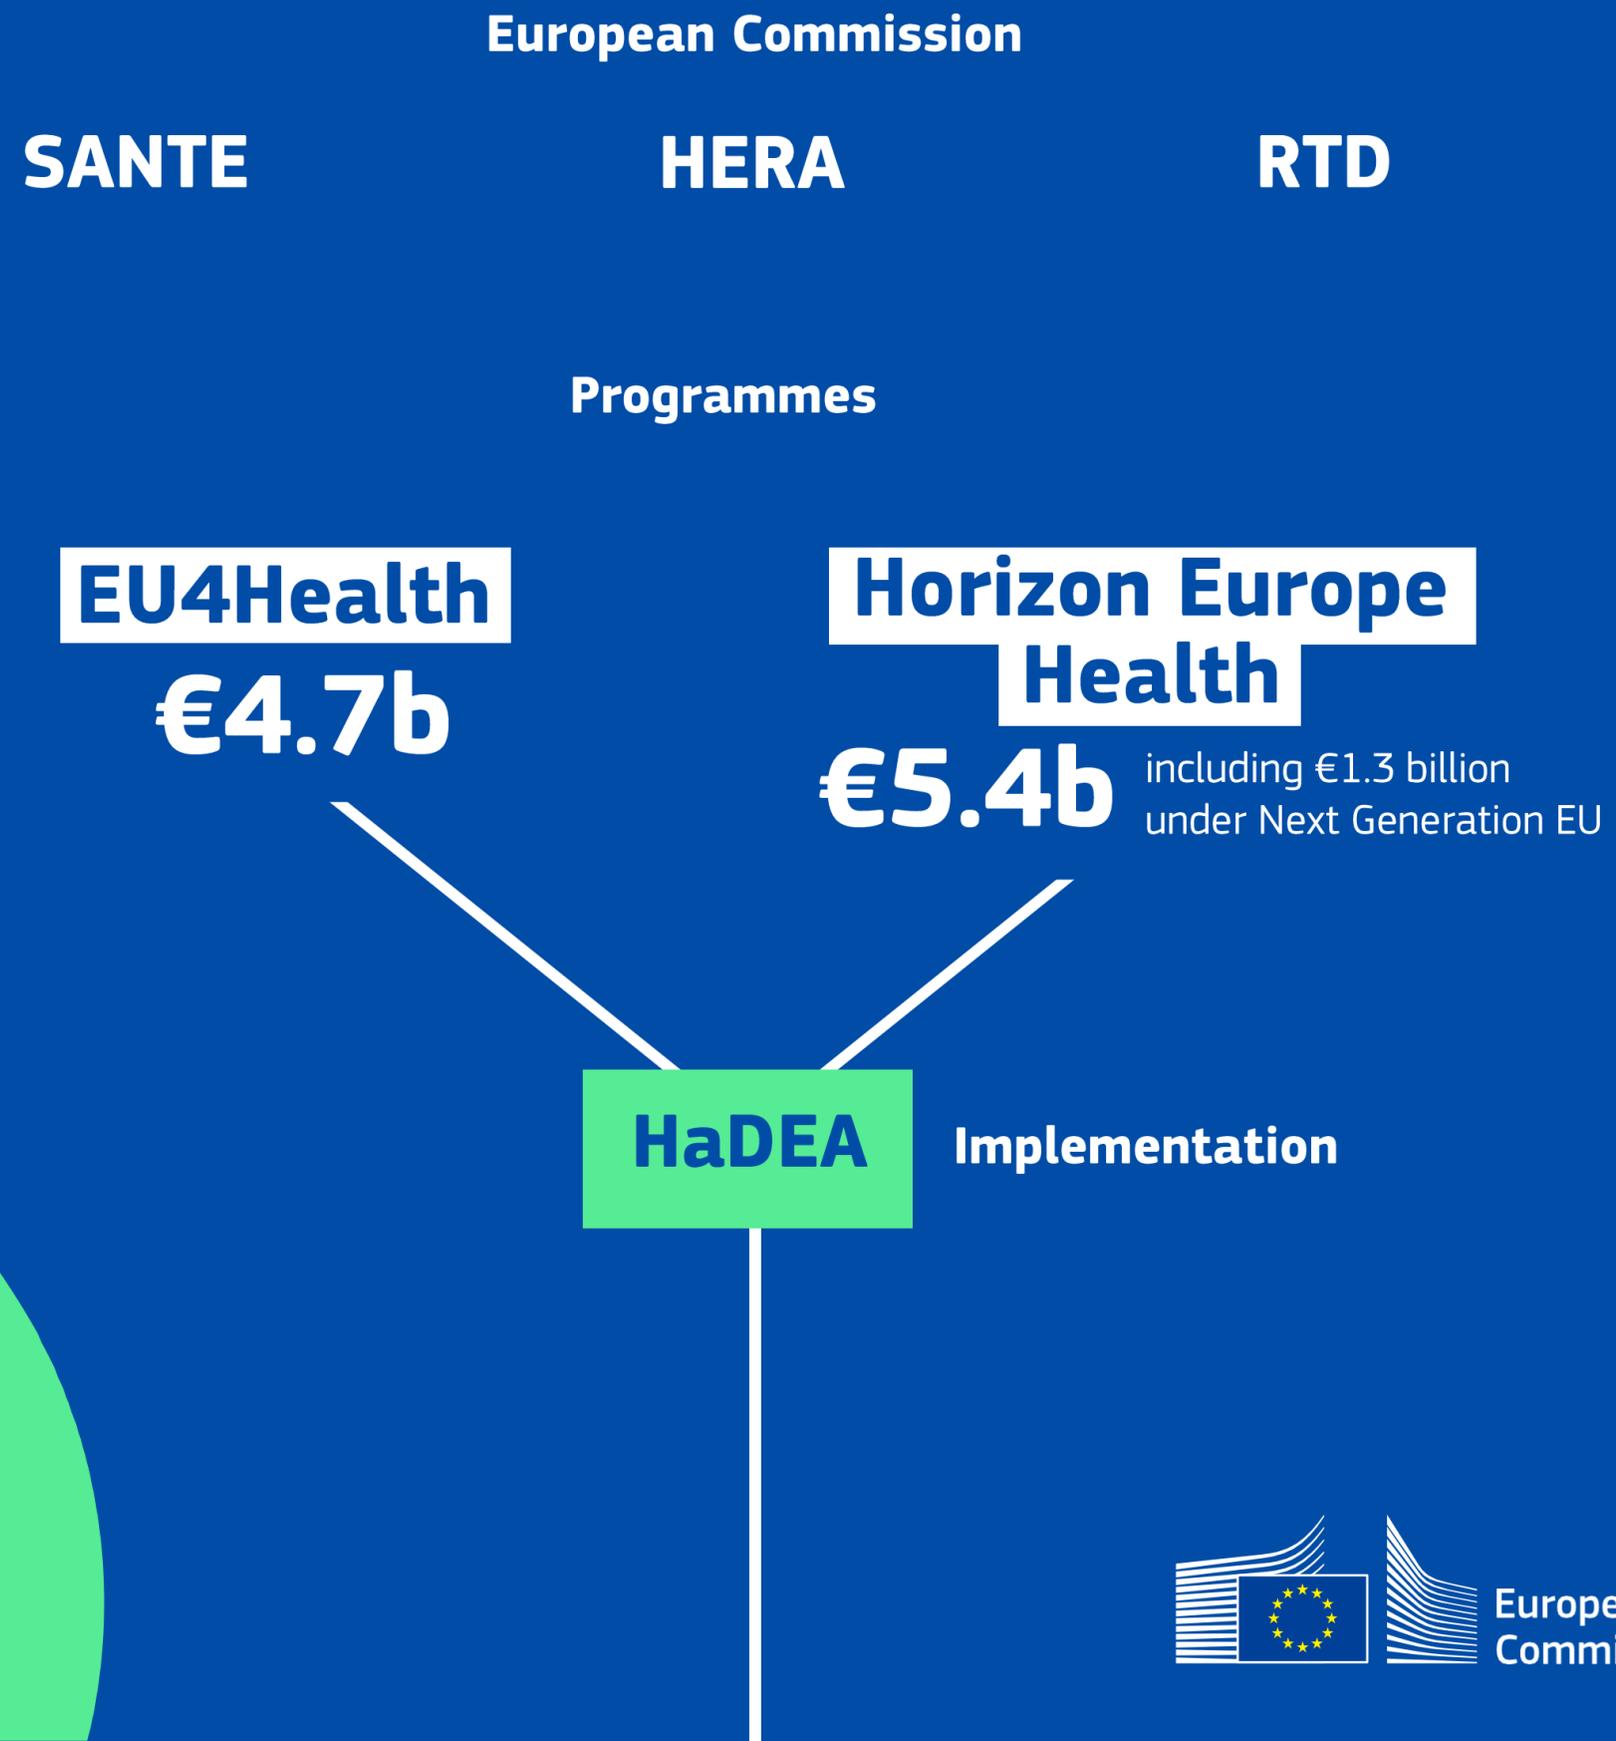

European
Health and Digital
Executive Agency

ROLE

Proposes and
designs policies

Puts programmes
into practice

PROJECTS & INITIATIVES MANAGED BY HaDEA

PREPAREDNESS

TERROR is a Joint Action between EU countries that is working on strengthening health preparedness and response to biological and chemical terror attacks should these occur.

3rd health programme

HAPPY PATIENT aims at reducing the inappropriate use and dispensing of antibiotics in community-acquired infections by 40% in the countries involved in the project.

3rd health programme

Eur3ka is repurposing the manufacturing for vital medical supplies and equipment to fight future pandemics.

Horizon 2020

TENDERS & CONTRACTS MANAGED BY HaDEA

EU FAB is a network of vaccine producers that the European Commission is establishing to quickly manufacture vaccines in case of a public health emergency. **EU4Health**

Response to the monkeypox outbreaks: more than 330 000 vaccines have been purchased by HaDEA and are being distributed in EU Countries by the European Health Emergency Preparedness and Response Authority (HERA). **EU4Health**

PROJECTS & INITIATIVES MANAGED BY HaDEA

CANCER

The action **4.UNCAN.eu** will launch the European initiative to UNderstand CANcer (UNCAN.eu), a Europe-wide platform to improve our understanding of cancer and our ability to prevent it, detect it at its early stages, treat it successfully and improve the quality of life of patients.

EU4Health

INTERACT-EUROPE is developing an efficient multidisciplinary inter-specialty training programme for cancer care across the EU

EU4Health

EU-CAYAS-NET is establishing a network of young cancer survivors to improve their quality of life

EU4Health

PROJECTS & INITIATIVES MANAGED BY HaDEA

CANCER

CanScreen-ECIS is improving the quality and coverage of cancer screening programmes in Europe

EU4Health

RISCC advocates for more effective and efficient cervical cancer screening. The project aims at promoting a more personalised screening based on individual risk.

Horizon 2020

The Cancerless project aims at overcoming health inequalities and promotes timely access to healthcare for the homeless to help them prevent cancer.

Horizon 2020

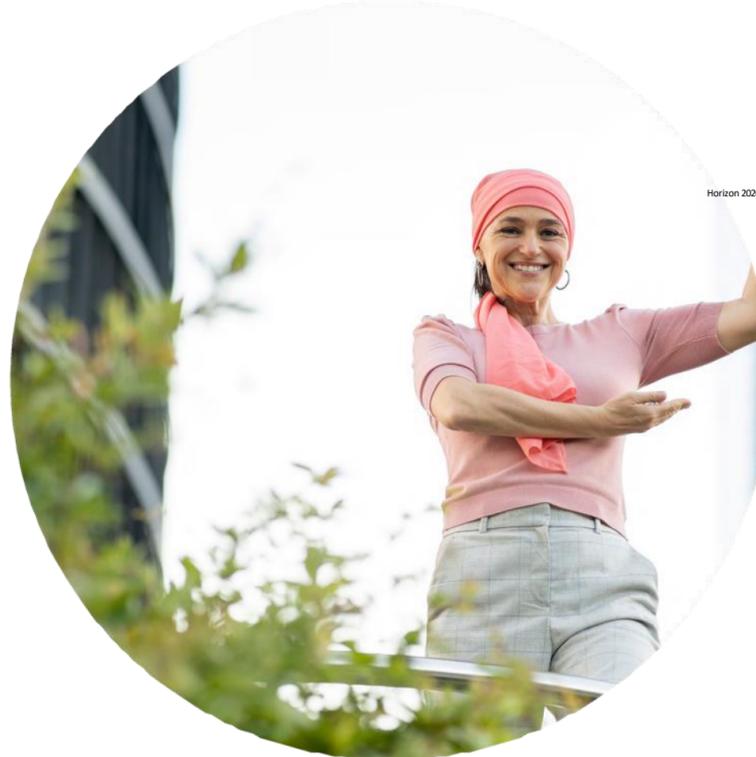

PROJECTS & INITIATIVES MANAGED BY HaDEA

CANCER

The **Oncolorelief** project has created an app that provides personalised support in post-treatment activities, improving patients' wellbeing and health status.

Horizon 2020

The **Preferable project** encourages physical exercise to combat fatigue in breast cancer patients. The goal is to ultimately implement exercise as an integral part of cancer care.

Horizon 2020

Fortee promotes exercise therapy, which aims to make young patients stronger in fighting childhood cancer. The project will also set up a personalised and innovative exercise training app.

Horizon 2020

TENDERS & CONTRACTS MANAGED BY HaDEA

CANCER

The **EU mobile App for Cancer Prevention** will be developed to offer concrete information on how to reduce users' cancer risks

EU4Health

The mock-up version of the **Cancer Survivor Smart Card** will be designed to improve the quality of life of persons with a history of cancer

EU4Health

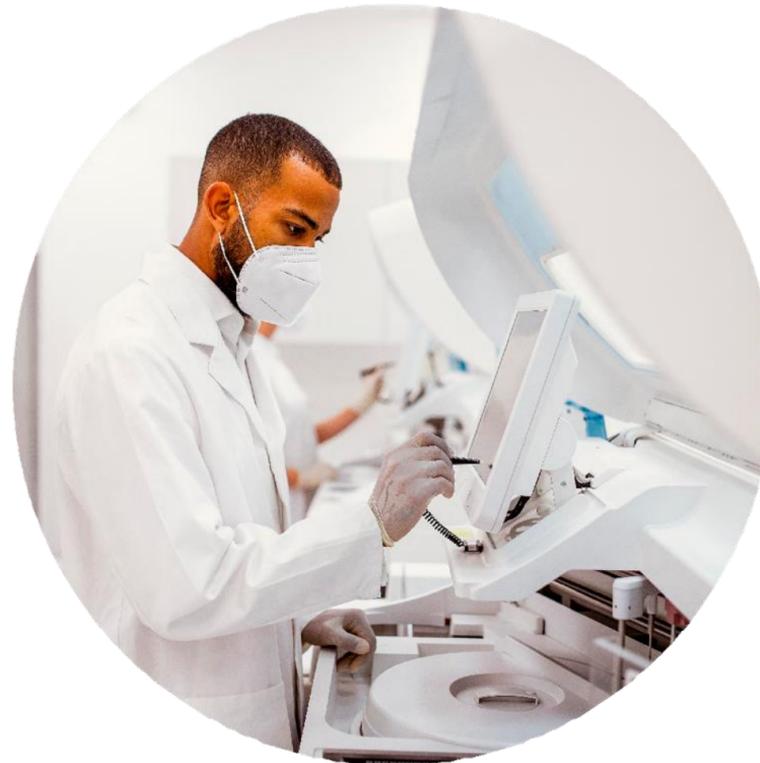

PROJECTS & INITIATIVES MANAGED BY HaDEA

HEALTH SYSTEMS AND HEALTHCARE WORKFORCE

BRAVEST is analysing procedures in organ donation and transplantation based on real-world evidence and cutting-edge analysis methodologies, to make these procedures more efficient.

EU4Health

EGALITE is promoting the harmonisation of practices among blood and tissue establishments and procurement organisations to improve the accessibility and sufficiency of Substances of Human Origin in Europe.

EU4Health

SUPPLY is strengthening voluntary non-remunerated plasma collection capacity in Europe to enable a stable and adequate supply of medicines in Europe.

EU4Health

European
Commission

PROJECTS & INITIATIVES MANAGED BY HaDEA

HEALTH PROMOTION & DISEASE PREVENTION

Study supporting the impact assessment on the **revision of the BTC regulation**

3rd health programme

Study on tax policies **to reduce the consumption** of alcohol and products high in fat, sugar and salt

3rd health programme

Best-ReMaP aims to deliver a harmonised EU approach to reduce unhealthy food marketing to children and adolescents.

3rd health programme

PROJECTS & INITIATIVES MANAGED BY HaDEA

DIGITAL

eHDSI – direct grants to Member States to facilitate the sharing of patient information between national health systems to improve cross-border healthcare, in line with the development of the European Health Data Space.

EU4Health

TEHDAS is a Joint Action Towards the European Health Data Space between 25 countries which is developing joint European principles for the secondary use of health data.
