Data Protection Notice
for Public Procurement Procedures and Contract Implementation

The European Health And Digital Executive Agency (HaDEA) processes your personal data in line with Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of personal data by the European Union's institutions, bodies and agencies and on the free movement of such data.

What is personal data and what is a personal data processing operation?

**Personal data** shall mean any information relating to an identified or identifiable natural person (‘data subject’). An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

**Personal data processing operations** can be any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

Short description of the processing activity:

Evaluation of tenders, award and signature of contracts, contract implementation.

Purpose of the data protection notice and the grounds on which it is based:

We process your personal data based on Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (Text with EEA relevance).

The following information is provided as required in Articles 15 and 16 of Regulation (EU) 2018/1725.

Who is the ‘data controller’?

The data controller, performing the personal data processing operation is the Head of the unit launching and managing the procurement procedure at the European Health and Digital Executive Agency (HaDEA).

Others:
European Commission (processor)

DG BUDGET manages ABAC, the financial and accounting application set up by the Commission, to monitor the execution of its budget and to prepare its accounts.

DG DIGIT (DIGIT-SYSPER2@ec.europa.eu) implements and maintains the accounting IT tool ABAC.

When the tender is submitted using the European Commission’s e-Submission portal, the European Commission acts as a data processor, in particular by facilitating the whole process and providing the storage of the data in encrypted form in its servers, specifically dedicated for this purpose. The decryption of the tender files can only be performed locally by the HaDEA’s or other authorised staff. The European Commission has no access to the content of the tender files, and included personal data.
