Why join us?

Working in the Agency will put you at the heart of the European Commission's ambition to help rebuild a post-COVID-19 Europe, which will be greener, more digital, more resilient and better fit for the current and forthcoming challenges.

The Agency has a workplace culture of staff empowerment and engagement. A culture of listening to staff, working collaboratively with respect and trust on a common vision of purpose and success. Staff engagement as a top priority, opportunities to provide meaningful feedback and share ideas, teamwork, open communication and room for innovation are common markers of HaDEA's culture.

The staff of HaDEA is committed to the seven values defined through a participatory process: client orientation, excellence, fairness, integrity, transparency, trust and work-life balance. Some of them are common to the public service principles for EU civil servants our staff also stands for: commitment, integrity, objectivity, respect for others, transparency.

HaDEA is a workplace in which employees feel proud to belong. The Agency facilitates a working environment where staff are encouraged to keep their skills up to date and develop

additional competencies. Several wellbeing initiatives in the areas of physical, mental and organisational health are aimed at supporting staff to improve their resilience to cope with the demands of a world in constant change.

HaDEA has an on-boarding programme to support staff arrivals to the Agency. The People sector (HR), the respective teams, line managers and buddies (experienced colleagues assigned to support new staff) will help newcomers to easily integrate and settle in. We look forward to welcoming you to HaDEA.
